BLESSING MABUSELA—TALENT AMERICA

What a fantastic way to start the new term. Our Principal Mrs Wandrag congratulated Blessing Mabusela on winning 1st place at Talent America (in New York City). The best international act of 2018. Blessing scored the highest points in the dance section in the age group 15-17. Blessing is also the winner of the modelling division for formal wear! Well done Blessing!

From Mrs Wandrag's table:

I just want to add that Blessing epitomizes everything that Lowveld High School stands for. Things have not come easily to him. He has taken advantage of every opportunity that has

come his way and worked extremely hard in spite of the obstacles and difficulties he has experienced. His mentor Ms Megan Goodwin an educator at the school has supported and assisted Blessing in ways far beyond that which we expect from an educator. As I told Blessing today, he is a Blessing to his family, to his school and to South Africa.
