FROM THE PRINCIPAL'S DESK

I would like to extend a warm welcome to every parent and learner. A special word of welcome to the new Grade 8 group joining Lowveld High and we hope that they will have a positive experience at School.

2020 is the 50th Celebration Year of the school and the planning for the celebration weekend on 15th and 16th May is well under way. We will need the help of our parent community to make the celebration a successful event. More information will be forwarded later in the term.

The first term is a very busy term. We are starting off with Inter house Athletics on Tuesday 21st January.

Lowveld High will be hosting an Athletics meeting on 15th February attended by 7 schools. Parental support on this day will be highly appreciated. Please come and support, particularly if your child is participating.

On 22nd February the annual Interhigh Athletics will take place at Bergvlam High School. Tickets for the event will be on sale at the school's finance office at the beginning of February.

The winter sport programme will commence during the week directly after Interhigh. The first winter sport fixture is against Hoërskool Frans du Toit in Phalaborwa on Saturday 29th February 2020.

The following weekend (7th March) we are hosting Sutherland High School from Pretoria at Lowveld High and will play Rugby, Hockey and Netball against them. Please make every effort to support your child on this day if your child is participating.

A reminder to all parents to download the D6 communicator from google playstore. This application has the full calendar of the school. Cycle test programmes and exam timetables will also be posted on this application closer to the dates of the tests or exams.

Please note that your child received a 2020 school diary and there is a lot of information contained in the diary. Please ask your child for it and read through it with particular reference to the School Code of Conduct.

I hope that 2020 will be a wonderful year for everyone connected to Lowveld High School.
